This is a MUST have for anyone desiring to learn the truth regarding the Civil Rights Movement from and eye witness. Having been involved myself in a different southern state...the astonishing way Congressman Lewis brings everything up close and personal has left me speechless. We've come too far to let slip the very things we've fought so hard to achieve. This would also be a wonderful teaching tool for teachers. Teachers...be the hand extended to the next generation. I've found it personally challenging to trying to explain what it was like back then. It seems it's due to a lack of knowledge and no frame of reference to those that ask me so many questions. PLEASE, get this set.

This is a great set, packaged well for the collector. It is a must read historical account from Mr. Lewis on the continuing battle for civil rights.

Great selection. It should be required reading for all school students in the US and abroad. John KLewis is an American hero.

I WANT MY GRANDCHILDREN TO LEARN HISTORY FROM THESE BOOKS, THEY ARE GREAT

Cannot wait to get it. Loved volume 1!
