John Sloane's Country Seasons 2016 Mini Wall Calendar

Synopsis

At once familiar and idyllic, John Sloane's paintings welcome us home, yet take on an ethereal quality that isn't found in our everyday world. It is this combination of the real and ideal that makes these paintings so mesmerizing and the places they depict so inviting. In this smaller version of his beautiful wall calendar, John Sloane invites viewers to experience the full spectrum of the changing seasons against a nostalgic backdrop of sleigh rides, wildflower meadows, and simpler living.

Customer Reviews

It is a treat I give to myself every year! I have for a decade. This was a beautiful little calendar, and I love that I can choose a size!

The most talented artist of all time. You wish you could crawl into his paintings and rest awhile. Beautiful use of sunshine and shadow.

Love the pictures and just the right size I personally do not like the big calendars.

Beautiful pictures. Quality calendar made with thick paper.
