Hauntingly beautiful calendar. I buy this calendar every year as Sir Simon Marsdens photos are

mesmerizing. The story behind each photo is just as mysterious and haunting especially because Marsden had personal experiences while visiting these ancient places. I treasured his photographs more today because he is gone. Highly recommend this calendar and all of his books that tell the stories of his journalistic travels to capture ghosts of the past.

This calendar has got to be the best one I have bought in years. It started from January 1st and goes all the way through December 31st! I cannot overstate the necessity of a calendar to have the correct days! I bought one last year and low and behold, it only lasted for ONE YEAR!!! When I opened it on January 1st of this year, the date was wrong! I have high expectations for this one!

This is my 3rd or 4th Haunted Realm Calendar. I love the pictures, they're always wonderful. And usually the stories are pretty good. However sometimes they're no Haunted anything. It's just a place with a sad or tragic history. I prefer the Haunted Places calendars but they don't seem to release one every year like Haunted Realm.

I love all of Simon Marsden's calendars! I hope these calendars always continue to be published every year.

The photos in this calendar are ominous yet dignified and beautiful. Each photo contains a caption stating the photo subject's location and background. A great calendar for the price.

I really like that this calendar has a short story below each picture. The pictures are great but having that little bit of information makes it more interesting and real.

Nicely spooky photos.

I love his work, it's so moody. This is the 3rd year I've purchased his calendars. Sad he is no longer with us.
