Customer Reviews

It's a calendar. It has the day's of the year on it, it does what it's supposed to do. I only bought it for the images to put googly eyes and give my office cubicle a little bit of happiness each month when I reveal the next googly-eyed horse page.

Great photos of horses. Looks like they might be in country familiar to me...maybe the Pryors and Will James old stompin' grounds.

Well done, with a nice variety of horses being horses. A winner for the horse lover in your life. Delivered right on time.

Beautiful pics, good quality paper & fast delivery. I would buy from this calendar company again.
