Customer Reviews

I ordered both this and the companion set from this publisher (âœCreative Expressionsâ•) and I didn't pay close enough attention when I was placing my order for these cards. I thought that I would be receiving note cards but as it turns out, these are single sided, heavyweight and slightly larger than business cards. There are 44 different designs in the cards. My recent purchases from this publisher had led me to expect only a few with Biblical reference but it turns out that there are 32 cards with actual scriptural cites on them. There are an additional seven which deal with God or other religious connotations. Finally, there are five general feel-good cards. I was surprised in a very good and happy way to see a larger focus on both Old and New Testament verses. The cards are 4.25 x 3.25 inches. Most have the designs printed horizontally on the card (29 of them) with an additional 15 vertical designs. The card stock weight is very good and heavy. The front of the cards have a good tooth feel for good coverage for coloring pencils. The back of the card has a glossy finish that feels as if there is some type of coating on it. I have been pondering how to use these cards and have decided I really like them as cards versus note cards. I can always mount them on

blank cards if I wish to use them that way (as I do when I make cards with rubber stamp techniques.) They are also item to have on hand when our church home group meets at our house. It will be a fun way to take a break or to end the evening. The designs are printed fairly small and I found that using my ultra-fine markers, smaller nib gel pens, and hard lead coloring pencils worked the best for me.
