Customer Reviews

This is pretty simply arranged music, very good for a beginner or one who just doesn't play well. I'm enjoying it a lot.

I have three kids taking piano lessons, and their teacher recommended this book. Has lots of great songs that we are familiar with from listening to KLOVE.

I just love this song book. Easy to play but also beautiful. I learned some new songs that I was able to sing at church - loved it, loved it, loved it!

This is great music for me since I am not a very good pianist. I have really enjoyed playing some of my favorite songs without much difficulty.

I have been looking for "Only Hope" for a while, and love the arrangement of it. Sounds great, and not so complicated that you can't learn it and play it well after some practice.

Great book and songs are easy but hard enough where the songs sound good. I am singing and playing the songs with a little practice. Came as promised and on time.

I am self taught and my grandson is taking lessons. The songs are easy enough so I can play without too much practice and he can play and enjoy them.

Purchased this for a music student. She has enjoyed it so far.
