To Wear Or Not To Wear? A Teen Girl's Guide To Getting Dressed: What To Do When Your Mom Or Dad Say's "You Are Not Leaving THIS House In THAT Outfit! ... Books For Teens And Young Adults) (Volume 1)

Synopsis

A FUN Book about making better choices! SALE! Normal Price \$10.50 Anna Brown, age 15, made this coloring book to help other girls her age to be inspired to choose modest yet cute clothing! She knows that it is so hard for parents and teen daughters to agree on this topic. It is better for girls to hear it from another girl their own age. So let Anna help with this little problem! Anna is a Homeschooler and missionary in Ukraine. This is a purse sized doodling and coloring book that teen girls will LOVE! The adorable characters will be sure to help teen girls to see the difference between "naughty and nice". This book is one of the best investments you could make for the teen girl in your life who embarrasses you by wearing things that are too short, too low, too tight, too sheer and to flirty. You and your daughter can flip through this little book together and talk about your perspective on clothing and why it is important to make good choices. This book does not tell your daughter exactly what to wear, but gives contrasting examples to inspire you to have some wonderful conversations. Tip for Parents - It is always best to prevent problems, so be sure to get this coloring book for girls ages 10 and up. If their friends are playing with Barbies or Bratt dolls... you NEED to get this book for your daughter AND her friends! This will bring smiles and delight for sure! This book is purse sized. That is so you can make this little book part of a special "growing up" gift. Buy her a purse, some lip gloss, a hair brush and stick this little book in the purse with some colorful gel pens.

There aren't any words in this. It is just coloring, but from the pictures you can kind of figure out that what she's wearing might not be appropriate and you can talk about it. Then the next page will be some ideas for her and then there will be a picture of the same girl wearing something more flattering and modest, yet in style. My fashionable 7 year old is appreciating this coloring book and we've already had many conversations about what is or isn't okay for her to wear. She tends to like things that are too small for her because her favorite clothes are the ones that she will eventually grow out of! Anyway, this is sweet and a cute little size and great for fashion loving people. It's thought provoking but not pushy in it's opinions.

I love the message this book sends without any words. You can still look extremely cute in clothes that are not revealing. I am saving it for my baby girl, but I may end up getting these as gifts for tweens, too. I received this at a discount in exchange for my honest review. I honestly love it! See my video for details.

I can't wait to give this to my daughter, I think she will have fun "redressing" the girl with different clothes (you draw the clothes). I am pairing this book up with other all about being a girl type books. It will be a great Segway into dressing appropriately/respectfully/professionally.....would also just be a fun little book to color on its own.
