Customer Reviews

Christmas music filled my house over the holidays. Such a great learning to moderate music for my daughter.

Love this book! Gets me in the spirit of Christmas.

This is a great book for beginner and above clarinet players. Songs are familiar and easily playable. I would recommend this to any clarinet player.

My son was able to play many of these songs in his second year, although some were still difficult, which will give him new material for next Christmas. This collection has all the favorites and was a lot of fun to hear and to play. I didn't have to keep telling him to practice all through the holiday season, he would see the book and reach for his clarinet himself.
