How To Draw Manga Volume 21: Bishoujo Pretty Gals (How To Draw Manga)

Synopsis

BISHOUJO (beautiful girls) is indispensable in the world of manga. Even if you can draw women, it is difficult to draw attractively. This book explains how to draw hair, faces, eyes and figure of BISHOUJO in the Japanese manga style.

Customer Reviews

This is an excellent book, I love it! The only setback is the nudity (you will see nipples), which is important for the section on how to draw the body, but otherwise not necessary. Anyway, the adorable and very diverse characters will captivate you and turn you into an instant manga fan if you aren't already. There are six chapters: 1. Bishoujo character drawing theory: This chapter will teach you to draw the face; eyes, hair and expressions concerning the eyes (shut eyes, crying eyes etc.) One of the best chapters, the part on the eyes is superb! The part on the jaw line, however, isn't very helpful and requires a lot of practice. 2. Bishoujo Bodies: This chapter is only useful if you already know how to draw bodies. It has useful hints and tips, such as how to make the perfect slim waist, drawing breasts, the back, girls with broad or narrow shoulders, etc. However, it does not start with basics, like how to break the body down into cylinders, which is a problem. 3. Situations and Techniques of Expression: I don't particularly like the style of drawing in this part as it is less cute and more realistic. It covers putting on/taking off clothes, taking baths or showers, characters wrapped in sheets and sleeping poses (the best, cutest part), underwear, negligee and kimono's (yukata). Note that shower and bath scenes can be used for girls in a swimming pool or in the rain.

This section is neat as it shows you how kimonos are worn!4. Every Day Life Bishoujo: This chapter covers all sorts of popular Japanese characters; maids, nurses, schoolgirls, and accessories like hats, glasses and ribbons. It has one page on curly hair, but only shows different styles of curled hair, not how to draw curly hair.5.
