Henry Leutwyler: Document

Synopsis

New York-based photographer Henry Leutwyler's new book *Document* examines humble objects from iconic moments such as the first moonwalk, political assassinations or episodes in the lives of musicians, artists and athletes. Ten years in the making, *Document* is essentially a collection of portraits of things: Mahatma Gandhi's sandal, Alan Shepard's golf club, Janis Joplin's acoustic guitar, Jack Ruby's handgun. Leutwyler shows us these objects close up--straight on and without backdrop--in a style that is equal parts still life, portraiture and crime-scene photography. Though isolated from their contexts and owners, these objects are the testaments of bodily histories, the traces of personalities and the stuff of our collective memory. *Document* invites us to engage with our "icons" in wholly new ways, and to see our history differently, through the unexpected emotional charge of singular objects.

Book Information

Hardcover: 220 pages

Publisher: Steidl (October 25, 2016)
