## Customer Reviews

This is the worst coloring book I have ordered from . The details are way too small, smaller than the tip of a color pencil. If it didn't cost so much to return an item I would return this in a minute! Don't waste your money. I have ten others that I ordered here and they are all pretty fantastic. This one is in a league of it's own - uncolorable :-)

Could barely see the images, sooooo small! I bought for my mother inlaw, I couldn't see the lines very well, very small images.

This coloring book is a great pass time. I bought it for my 93 year old mother. Although the print is

not as large as she would have liked, she enjoys it very much.
