Customer Reviews

So this is a 2014 calendar, which most people won't buy until late in the year. As a "bonus" they include a six month calendar for 2013 (!), not much of a "bonus" to me. A nit pick I know, but I just don't like things advertised as "we are giving you extra" when they really aren't.

This calendar is perfect, it has all the days and months listed, so I can schedule things in advance. not to mention picture's of lighthouses, which are a favorite of ours. what's not to like? it would make a great gift for the upcoming new year!

This was a gift from my wife to a friend who is a lighthouse fan. She was pleased with the item. It was important to us that she was happy as it was a Christmas gift.

perfect
