Synopsis

Eat. Work. Shop. presents a striking collection of cutting-edge commercial sites in Japan.Vibrant color photography and compelling text make this the ultimate guide to modern Japanese life. Seven of the country's foremost architects showcase their ideas in 34 shops, restaurants, salons, bars and spas. The architecture and interior designs are uniquely Japanese and will add a distinctive flair to any retail, office or retail design project. In collaboration with a new generation of entrepreneurs, these designers are reshaping basic concepts of how contemporary Japanese eat, work and shop. Beautifully illustrated with over 250 photos, the locations in this book reflect everything from postmodern industrialism to suggestive eroticism. A whole new language of design, propelled by the Japanese penchants for innovation, has given this generation a carte blanche to redefine Japan as the world's next cultural superpower, unhindered by the barriers of tradition.
