## Customer Reviews

I love these two year planners. The once that I usually carry only has one year to it and is cheaply made. Not this one. Beautiful cover and each box is large enough to write your medical appointments, hair and nails appointment and your vacation or work schedule

I have used this planner for many years. Love the images and the sturdy pocket. Access to the planner is easy and keeps it tidy. The day space is just the right size for my notes. ME creates great things!

Love these pocket planners... have used them for years from ME. Our bookstore closed and now thanks to I can order. Get compliments all the time... "Where'd you get that awe it cute... My style

I have bought these Mary Engelbreit pocket calendars for the last 4 or 5 years. Because of their 'case', they hold up well in your purse over the course of the year. I hope she continues to produce

them for many years to come. So far this year have bought more than a dozen of the 2017 to give to friends. Everybody loves them!

I love the designs. Also the different themes each year are encouraging. One of the best features is the case which keeps the planner intact and I do not lose important notes. I have used Mary Engelbreit planners for at least ten years.

A pleasure to use. I love the squares when you can enter important information about coming activities. I also like the whimsical aspects of the pocket planner. I will certainly want one for next year.

Wish the daily date boxes were a bit larger.

I like to get these so have doing it for several years, it has a cover for the pocket calendar and pictures on each month of Mary Engelbreit girls.
