Customer Reviews

Nice Hebrew calendar! It isn't ornate, nor is it lavish! If "gorgeous" is what you seek, look elsewhere! If, on the other hand, you are looking for a reasonably priced, Hebrew calendar, that looks nice, and will provide you with all the; days, dates, and holidays in both the English and Hebrew years of 2016 [beginning September] - 2017 [January - December] and the entire Hebrew year of 5777 [as according to the Hebrew lunar calendar, then this is definitely worthy of your serious consideration. I bought one for myself and one as a gift for a friend. We are both very happy with them. May the year 5777 and all that follow, bring you much Mazel and to all our non Jewish friends, may 2017 and all the years to follow, be filled with much luck, suerte, Joss, or however you say it, in your language! G-D Bless you....Shalom!

I've been getting this calendar for many years. It's great for recording daily events and reminding me of the holidays approaching.

this is the perfect calendar for knowing the jewish and non-jewish holidays and giving space to write in the sections for your day to day appointments.

i give this calendar as a present for family and Friends every Rosh Hashanah whishing them all the pages be filled with joy and health.

I do love it but since I've never had one I have nothing to compare it. Hence, I did not give it a 5 star rating. It came very quickly, sooner that stated.
