Customer Reviews

Book was very thin. But the big thing for me was that this book is NOT meant for kids! My niece is into drawing lately and loves anime so I ordered this book for her to help her learn to draw in this style, and its nothing but females with big boobs and perverted poses. This should be clarified that it is NOT meant for children. I am glad I looked through this before giving it to her! BUT, the company gave me a refund back and didn't even want me to return the item. Weird but I am glad I got my money back for this book when it was not what I was expecting at all.

Didnt like it! I was expecting more just has like 5 pages! :(

Good book

Just as expected. Thank you! Would purchase again.

Great information, easy to follow!
