# Adult Coloring Book Vintage Series: The Masters Of Fashion Illustration

Synopsis

The Masters of Fashion Illustration recreates some of the most iconic fashion magazine cover illustrations as a gorgeous new coloring book for adults. The book features 5 of the most prolific fashion artists of the art deco and art nouveau periods: Helen Dryden, ErtÃ©, George Wolfe Plank, Frank Leyendecker, and George Barbier. These artists appeared on the covers of the most popular fashion magazines of all time; magazines still being published today. Take a trip to the golden age of fashion illustration, before photography permanently took its place. Hand-drawn and lovingly reproduced by best-selling coloring book artist Wendy Piersall, these 30 highly detailed illustrations are true to the original works while being adapted specifically to be an absolute joy to color.

Customer Reviews

This is an absolutely beautiful fashion coloring book. The artist pays homage to five artists from the Art Deco and Art Nouveau periods: Helen Dryden, Erte, George Wolfe Plank, Frank Leyendecker, and George Barbier. The designs in the book are hand-drawn from the original works and have been beautifully rendered for coloring.I own a number of fashion coloring books and I must say that this one is one of my favorites both for style of the design as well as for the care with which they have been drawn. The designs all have a framing line around the edge to give you a definite end to the design. I always find that gives me a more finished and polished look to my project.This is my second coloring book by Wendy Piersall. While the subject matter is wildly different, what is not different is the extremely high caliber of the artwork. I just can't say enough about how much I enjoy

this artist's work. What I can say is that my sincere hope is that Ms. Piersall will make this merely a volume 1 in her fashion design coloring books. I hope to see more in fashion from her in the future.I was so pleased that the artist included test pages at the front of the book as I usually end up with a discard page when I test my various mediums on designs themselves. I love each of the designs in this book and didn't want to lose even one of them. The designs are detailed and in some cases have intricate and small areas to color.
